**nThrive Education and Solutions to be Featured at the 2017 AHIMA Convention**

Los Angeles, CA, October 8, 2017 – nThrive™ will showcase its Patient-to-Payment<sup>SM</sup> suite of solutions and custom education in booth 523 at the American Health Information Management Association (AHIMA) Convention and Exhibit at the Los Angeles Convention Center in Los Angeles, CA.

nThrive, the most comprehensive Patient-to-Payment resource in health care, will be featuring the following solutions:

- Patient Access platform
- Revenue cycle Advisory and Outsourcing Collections Management
- KnowledgeSource®, our preeminent data source for all coding regulations
- nThrive Analytics platform that drives hospital and practice improvement insights
- MACRA Management, Analytics, and Education solutions
- nThrive Education™, formerly Precyse University™, the most comprehensive and innovative revenue cycle and HIM education solution in the country

Visitors to the booth have a chance to test their knowledge of Hollywood by playing nThrive Education's "Off the Wall" an interactive game that will keep real time scores throughout the show and display them on a leaderboard. The nThrive Education "Off the Wall" game exemplifies the custom education, gamification solution that is used in nThrive Education.

With the gaming industry growing rapidly, nThrive Education is integrating gaming in its education, marrying entertainment with education, in order to engage learners in a fun and enjoyable way. More than 100 videos games are available as learning tools for different roles and functions within the revenue cycle. nThrive Education learners can play and compete against others throughout the U.S. Its technology provides real time scoring that users can see as they play. The real-time technology facilitates the opportunity for organization leaders to create engaging employee competitions and track scores against colleagues, as well as nationally against other nThrive Education clients.

**About nThrive**

From Patient-to-Payment<sup>SM</sup>, nThrive provides all the technology, advisory expertise, services, analytics and education programs health care organizations need to thrive in the communities they serve. Formerly known as MedAssets, Precyse and Equation, nThrive is built on a legacy of excellence. Most recently, nThrive acquired two leaders in their fields, Adreima – a provider of patient-centered, clinically integrated revenue cycle services that help patients find coverage

and meet their financial obligations – and e4e Healthcare Services – a business process outsourcing company. The five organizations together combine top talent and capabilities in the health care industry into a single enterprise. For more information, please visit
