nThrive Education and Services Showcased at HFMA ANI Annual Conference

Orlando, Florida, June 25, 2017 – nThrive™ will showcase its Patient-to-Payment℠ suite of solutions in booth 1721 at the Healthcare Financial Management Association Annual National Institute (HFMA ANI) Conference. nThrive provides a unique combination of technology, services, advisory, analytics and education solutions to systematically address business issues. The result is sustainable, long-term financial improvement through increased revenue yield, streamlined cash flow and reduced cost to collect. Visitors to the nThrive booth can participate in a solution demonstration that will feature the most comprehensive Patient-to-Payment resource in health care.

When providers have the time and resources to make more informed business decisions there is no limit to what they can accomplish. Visit nThrive booth 1721 to learn more about the tangible benefits your organization can gain from nThrive knowledge and expertise of the entire revenue cycle.

Book a solution demonstration to learn more about:

- Patient Access platform
- Revenue cycle advisory solutions and outsourcing services
- Collections Management
- KnowledgeSource®, our preeminent data source for all coding regulations
- nThrive Education™ revenue cycle eLearning and competency management solution
- nThrive Analytics platform that drives hospital and practice improvement insights
- MACRA Management Solutions

Visitors to the booth can also participate in an in-booth contest where they will spin the wheel for charity to win prizes. nThrive will match the dollar amounts spun on the wheel for charity and donate to Hire Heroes USA.

About nThrive

From Patient-to-Payment℠, nThrive provides all the technology, advisory expertise, services, analytics and education programs health care organizations need to thrive in the communities they serve. Formerly known as MedAssets, Precyse and Equation, nThrive is built on a legacy of excellence. Most recently, nThrive acquired two leaders in their fields, Adreima – a provider of patient-centered, clinically integrated revenue cycle services that help patients find coverage and meet their financial obligations – and e4e Healthcare

Services – a business process outsourcing company. The five organizations together combine top talent and capabilities in the health care industry into a single enterprise. For more information, please visit www.nThrive.com.
